

ADULT DEGREE COMPLETION PROGRAMS

Mission Statement

The Bachelor degree completion programs exist to provide working adult students the opportunity to complete a quality college degree in a schedule and format particularly designed to meet their unique needs, responding to the unique and ever-changing needs in the marketplace. The curriculum for each major is interdisciplinary and liberal arts in nature. All courses of study integrate a Christian world view and are committed to continual improvement.

Admissions Requirements

To be admitted to an Adult Degree Completion program the student must:

1. Complete at least 40 semester hours¹ with a minimum cumulative GPA of at least 2.250 for Criminal Justice, Child Development, CIT, and Organizational Leadership or a 2.750 for RN to BSN or 2.500 for BBA from an accredited institution as evidenced by an official transcript sent directly from each college or university attended. Students seeking to receive credit at the university from an institution outside the United States are required to have their foreign transcript evaluated by a service that is a member of the National Association of Credential Evaluation Services (NACES) or the Association of International Credential Evaluators, Inc. (AICE); a detailed or course-by-course report is required.
2. Submit an application for admission.

¹ Prospective students who meet the other criteria but do not have the required semester hours for entrance or are lacking in the core requirements will be advised how to correct any deficiency. An admissions advisor will assist with the development of a written pre-admission educational plan, which may include bridge courses taken at PLNU. Only courses from an accredited institution with an earned passing grade will be accepted by transfer. Prospective students who do not meet the minimum GPA requirement can be accepted under exception.

The following 42 credit hours of general education¹ core requirements are required for graduation and it is advised that they be completed prior to beginning:

1. Communication-6 semester hours (of which one course must be in English Composition)
2. Humanities/Fine Arts-6 semester hours (at least one course must be from the following: literature, philosophy, art or music appreciation, art or music history, fine arts, or history)
3. Natural Science and Math-6 semester hours (at least one course must be in Math)
4. Social and Behavioral Sciences-6 semester hours
5. Bible and Theology - 6 semester hours (at least one course must be taken from PLNU)
6. An additional 12 semester hours must be earned in any of the above areas.

¹ General education deficiencies may be completed after admittance, but at least 20 hours must be completed prior to starting the program

cohort. Three hours of appropriate prior learning credit (see below) may be used to meet one of the general education areas-with the exception of English Composition and Math.

The PLNU General Education Learning Outcomes (GELO's) will be addressed and measured within the PLNU degree program to ensure the GE outcomes that we value are demonstrated.

Admissions Under Exception

Applicants who do not meet the minimum standards for admissions, but who can demonstrate an exceptionally rich experiential background and/or have shown a change in academic performance, may petition the academic department or school for a special review of their status. The academic department or school reviews the student's application package and determines the merits and appropriateness of the request.

In order to apply for admissions under exception, the applicant must also provide a statement outlining the applicant's reasons and justification for requesting an exception to admission policies with supporting documentation. All exception materials must be submitted to the Office of Adult Degree Completion Admissions. The applicant is also required to schedule an interview with a Point Loma Nazarene University Program Director from the school to which the applicant is applying.

For certain exceptions tiers, following the interview, the program director submits a summary of the applicant's interview and petition package to the department chair or dean of the school. The department chair or dean is the final authority for admissions under exception, except where approval is required from the Graduate Professional Studies Admissions Exceptions Committee.

or fees. The university does not guarantee the awarding of a diploma or degree.

¹ American Council on Education (ACE) (<https://www.acenet.edu/Research-Insights/Pages/Student-Support/Post-Traditional-Learners.aspx>) provides guidance on workplace learning.

² Credit for Prior Learning (CPL) is not credit for "life experience." It is credit for prior learning and students must demonstrate through a portfolio that learning has taken place. The faculty will evaluate the portfolio to determine how much credit should be given for the learning accomplished. Refer to the Council on Adult and Experiential Learning (CAEL) (<http://www.cael.org/pla.htm>) for examples of how this is described. To receive PLC credit students would enroll in a PLC assessment course to learn the portfolio submission process.
