

CREATIVE DIGITAL MEDIA, B.A.

Program Learning Outcomes

Students who complete the Creative Digital Media program will be able to:

1. Generate design that exhibits highly developed compositions based on design principles.
2. Apply a strong personal commitment to the process of developing creative digital content.
3. Communicate competently in a variety of complex environmental and social contexts.
4. Demonstrate a high level of craftsmanship using current industry standard tools and technologies.
5. Perform technological skills and techniques in digital and interactive media using ethical and social perspectives.

Computer Requirements

All Creative Digital Media majors are required to own a personal laptop capable of supporting and operating Adobe Creative Suite upon entry into CDM 1000.
