

PUBLIC ADMINISTRATION, B.A.

Program Learning Outcomes

Students who complete the Public Administration program will be able to:

1. Demonstrate critical skills to lead and manage in public governance.
2. Appraise pressing problems using critical thinking, ethical thinking, and analytics to consider solutions and apply best practices.
3. Articulate and apply a public service perspective to their role in their institution.
4. Evaluate the role of public administration officials as participants in the public policy making and implementation process.
5. Demonstrate the ability to communicate and interact productively with a diverse population with varying needs.
