Program Learning Outcomes

The program learning outcomes for the M.A. in Special Education are built on and related to the School of Education outcomes that are symbolized in three themes: equip, transform, and empower. The M.A. in the Special Education program then applies these major themes to this program.

Candidates who complete the Master of Arts in Special Education program will be able to:

Equip

- Promote the success of all students by being a servant leader that serves collaboratively and effectively with professional excellence, honesty, integrity, and sensitivity.

Transform

- Engage in ways of thinking and being to embrace the positive power of diversity and advocacy for universal social justice within the classrooms, schools, districts, and communities.
- Apply faith-based influences and beliefs within educational organizations.

Empower

- Reflect and engage in on-going scholarly, professional, and spiritual growth.
- Serve as research-based transformational leaders within their classrooms, schools, districts, and communities.

Program Eligibility to the Master of Arts in Special Education

- Education and Grade-Point Average: Candidates must have completed a baccalaureate or higher degree from a regionally accredited college or university. A cumulative undergraduate grade point average of 3.000 is required to be admitted into the Master of Arts in Special Education or a stand-alone credential or added authorization housed within the M.A. in Special Education degree program. Candidates with a cumulative grade point average less than 3.000 may apply for "Admission under Exception;"
- Two or more letters of recommendation from appropriate persons who have the knowledge of the applicant's character and ability to work with children or youth. (References from friends or relatives are not appropriate.);
- An interview with the appropriate program director or Admissions chair at a branch campus.

Applicants who do not meet the above standards but can demonstrate that they have an exceptionally rich experiential background and/or have demonstrated dramatic change in academic performance may petition the School of Education to review their status.
