

# DOCTOR OF NURSING PRACTICE

## Program Description

The Doctor of Nursing Practice (DNP) program at Point Loma Nazarene University offers various pathways for students to provide competent advanced-level care as healthcare leaders for individuals of all ages across healthcare settings. The DNP program offers three degree tracks: Healthcare Leadership, Clinical Nurse Specialist (CNS), and Family Nurse Practitioner (FNP), with multiple pathways:

- MSN-DNP: Healthcare Leadership
- BSN-DNP: CNS
- MSN-DNP: CNS
- BSN-DNP: FNP
- MSN-DNP: FNP

After completing the program, graduates are eligible to take national board certification examinations, including Executive Nursing Practice, Nurse Executive Advanced, Clinical Nurse Specialist-Adult Gerontology, Clinical Nurse Specialist-Pediatrics, or Family Nurse Practitioner.

## Program Learning Outcomes

*Students who complete the Doctor of Nursing Practice program will be able to achieve the following outcomes:*

1. **Inquiring Faithfully:** The graduate will demonstrate knowledge, skill, and behavior of the evidence-based practice of nursing which integrates growth in reasoning, analysis, decision-making, and the application of theory with the goal of advocating for others and/or self. This includes holistic nursing skills and the nursing process.
2. **Caring Faithfully:** The graduate will embrace a calling to the ministry of compassionate care for all people in response to God's grace, which aims to foster optimal health and bring comfort in suffering and death.
3. **Communicating Faithfully:** The graduate will actively engage in the dynamic interactive process that is intrapersonal and interpersonal with the goal of advocating for others and/or self. This includes effective, culturally appropriate communication conveys information, thoughts, actions and feelings through the use of verbal and nonverbal skills.
4. **Following Faithfully:** Defined as claiming the challenge from Florence Nightingale that nursing is a "divine imposed duty of ordinary work". The graduate will integrate the ordinary work by complying with and adhering to regulatory and professional standards (e.g. ANA Code of Ethics, the California Board of Registered Nursing Scope of Nursing Practice, SON Handbook). This includes taking responsibility, being accountable for all actions and treating others with dignity.
5. **Leading Faithfully:** The graduate will incorporate a foundational relationship with Christ and others and embrace a willingness to serve others in the midst of life circumstances (e.g. illness, injustice, poverty). The graduate will role-model the need for "Sabbath Rest" as a means of personal renewal, and true care of self, so that service to others is optimally achieved. The graduate will incorporate the characteristics of a servant leader including: humility, courage, forgiveness, discernment.

## Academic Performance

### Satisfactory Academic Performance

Satisfactory academic performance is defined as meeting all of the following:

- letter grade of "B-" (81%) or higher in all required theory and elective courses.
- grade of "Credit" in all clinical residency courses.
- minimum GPA of 3.000 on a 4.000 scale in all required courses.

### Repeatability and Academic Status Progression

**Satisfactory completion of all courses is required in the DNP program of study.**

Students must repeat any course in which they fail to receive a minimum grade of "B-" or "Credit." If a course must be repeated, the following requirements will apply:

- A required theory DNP course may be repeated only once.
- No more than two total required theory DNP courses may be repeated.
- **Student may not continue with any academic or clinical coursework until notified by the Program Director of their status in the School of Nursing.**

Students should refer to the Graduate and Professional Studies Student Handbook (<https://pointloma-public.courseleaf.com/prior-catalogs/2024-2025/handbooks/grad-handbook/>) for academic status progression policy (e.g., probation and dismissal).

### Academic Honesty

**In matters related to integrity**, such as those listed below, students may be placed on **probation** by the SON graduate faculty or be recommended to the Vice Provost for Academic Administration for **dismissal** from the program:

- inappropriate clinical judgment (e.g. SON policy violation, HIPAA violations);
- violation of Academic Honesty (<https://pointloma-public.courseleaf.com/prior-catalogs/2024-2025/grad-catalog/academic-general-policies/>);
- other situations that compromise the PLNU University Student Conduct policy (refer to the Graduate and Professional Studies Student Handbook) or the School of Nursing Values and policies (refer to the School of Nursing Graduate Student Handbook), such as the ANA Code of Ethics CA Nurse Practice Act (<https://www.rn.ca.gov/practice/npa.shtml/>).

## Program Eligibility for Doctor of Nursing Practice

Admission to the program is based on an overall appraisal of the applicant's ability to undertake doctoral study and their contributions to the discipline of nursing as evidenced by the following:

- Documentation of active RN license;
- Official transcripts;
- Minimum grade point average of 3.200 (candidates with a grade-point average of 3.000 to 3.199 may be considered under the Admissions Exception Policy (<https://pointloma->

public.courseleaf.com/prior-catalogs/2024-2025/grad-catalog/admissions/#admissionunderexception));

- Curriculum Vitae or Resume;
- Current employment as an RN or at least 1 year of full time RN practice in the last 5 years is required prior to the start of clinical coursework;
- A personal essay of 250 words demonstrating graduate-level writing skills;
- Two (2) professional references;
- A completed application form and fee; and
- Interview with the graduate nursing selection committee.

English Language Requirements

A satisfactory command of the English language is required for admission to the Graduate School of Nursing. All applicants whose native language is not English, must meet this requirement-including international applicants, permanent residents, immigrants, and transfer students who are not citizens of the United States on the date of admission. A Test of English as a Foreign Language (TOEFL) is the measure of competency. The test must have been taken within the past two years with minimum scores of:

- 550 for the paper-based test, and
- 80 for the internet-based test with a minimum section requirement score of 20 in reading, listening, speaking, and writing. Only the following countries are exempt from proof of English proficiency: Australia, Canada, Ireland, United Kingdom, and New Zealand.

Other Provisions

To satisfy the requirement of the university’s clinical agencies, upon acceptance into the program students are required to provide copies of the following documentation:

- Current California licensure as a registered nurse or in state of residence if attending clinical outside of California<sup>1</sup>;
- Current Healthcare Provider CPR certificate from the American Heart Association;
- Completed School of Nursing Health Form Packet with officially documented proof of immunizations;
- Current TB screening upon admission into the program (2 step process);
- Current HIPAA certificate;
- Infection Control Module; and
- Background check and drug screening (failure to pass this may result in an inability to complete the program).

Per agreement with the San Diego Nursing Service Education consortium and affiliated hospitals, a background check and drug screening is required prior to the student’s first clinical experience. If a red flag occurs from either the background check or drug screening, this may result in immediate dismissal from the program.

<sup>1</sup> A valid RN license in good standing in another state may suffice for active military service members or their spouses for clinical within California, per California BRN process and federal Servicemembers Civil Relief Act (SCRA) requirements. The student must be registered in the SCRA State Registration Database available on the CA Department of Consumer Affairs (<https://www.dca.ca.gov/military/federal.shtml/>) website.

Exceptions Policy

Applicants who do not meet the above eligibility standards, but who can demonstrate an exceptionally rich experiential background and/or demonstrate dramatic change in academic performance, may petition the School of Nursing to review their status (see Admissions Exception Policy (<https://pointloma-public.courseleaf.com/prior-catalogs/2024-2025/grad-catalog/admissions/#admissionunderexception>)).

Program Pathways

- MSN-DNP. Healthcare Leadership Track (p. 2)
- BSN-DNP. CNS Track (p. 3)
- MSN-DNP. CNS Track (p. 4)
- BSN-DNP. FNP Track (p. 5)
- MSN-DNP. FNP Track (p. 5)

MSN-DNP: Healthcare Leadership Track

- All graduate students take 3Ps courses (GNSG 6006-Advanced Pathophysiology, GNSG 6007-Advanced Pharmacology, and GNSG 6008-Advanced Health Assessment) as foundational courses for the advanced nursing practice role. Any applicant may submit prior course syllabi to be reviewed for course equivalency. A prerequisite or transfer 3Ps course must meet the required criteria per California Board of Registered Nursing for Advanced Practice Registered Nurses (APRNs). Syllabi may be required to verify equivalency prior to acceptance of any course toward PLNU Graduate Nursing program requirements. Students who have not taken APRN Core Prerequisite Courses may take them concurrently with their program at PLNU.
- Students who enroll in the MSN-DNP HCL track may have previously accrued less than 500 MSN clinical hours due to their previous MSN program requirements. These students need additional clinical hours to meet the 1000 required DNP clinical hours. GNSG 7068 will be added to these students’ MSN-DNP HCL track, as needed. The number of clinical units added may vary based on each student’s transcript evaluation.

Code	Title	Units
APRN Core Prerequisite Courses		
GNSG 6006	Advanced Pathophysiology	3
GNSG 6007	Advanced Pharmacology	3
GNSG 6008	Advanced Health Assessment Across the Lifespan and GNSG 6008L and Advanced Health Assessment Across the Lifespan Practicum	3
Total Units		9

The MSN-DNP. Healthcare Leadership track consists of 34 units over 6 semesters, including: 5 Graduate core courses (12 units), 3 Healthcare Leadership specialty courses (9 units), 5 DNP project courses (10 units/500 clinical hours), and 1 Graduate Elective (3 units).

Code	Title	Units
Graduate Core Courses		
GNSG 7002	Applied Statistics in Health Science	2
GNSG 7006	Informatics in Healthcare Systems	3
GNSG 7010	Fundamentals of Epidemiology	3
GNSG 7023	Quality and Safety	2

GNSG 7080	Context of Practice, Populations, and Outcomes Management	2
<b>Healthcare Leadership Specialty Courses</b>		
GNSG 7081	Economics and Finance in Healthcare	3
GNSG 7084	Curriculum Development and Evaluation	3
<b>DNP Project Courses</b>		
GNSG 7050A	DNP Project Planning and Integrative Application	2
GNSG 7050B	DNP Project Proposal and Integrative Application	2
GNSG 7050C	DNP Project Implementation and Integrative Application	2
GNSG 7050D	DNP Project Evaluation and Integrative Application	2
GNSG 7050E	DNP Project Dissemination and Integrative Application	2
<b>Graduate Elective</b> <sup>1,2</sup>		<b>6</b>
Examples of approved courses are listed below. Other courses may be approved at the discretion of the School of Nursing:		
BUS 6025	Applied Data Analysis and Visualization	
	or LDR 6025 Applied Data Analysis and Visualization	
BUS 6060	Managing in a Changing Environment	
	or LDR 6060 Managing in a Changing Environment	
BUS 6061	Negotiation and Conflict Resolution	
	or LDR 6061 Negotiation and Conflict Resolution	
GED 6029	Using Technology to Enhance Teaching and Learning	
	or GED 6081 Educational Measurement and Evaluation	
GNSG 7068	DNP Healthcare Leadership Practicum	
LDR 6062	Diversity and Cultural Dynamics	
LDR 6064	Organizational Communication	
<b>Total Units</b>		<b>34</b>

<sup>1</sup> Approved elective options for the Healthcare Leadership track will be offered in collaboration with the Fermanian School of Business, School of Education, School of Nursing, and School of Theology and Christian Ministry. Offerings may vary and will be pre-approved by the School of Nursing prior to each semester.

<sup>2</sup> Students who wish to pursue a Certified Nurse Education (CNE) credential must take GED 6029 or GED 6081.

## BSN-DNP: CNS Track

The BSN-DNP: Adult-Gerontology CNS and BSN-DNP: Pediatric CNS tracks consist of 11 Graduate core courses (27 units), 4 APRN core courses (9 units), 3 Healthcare Leadership specialty courses (9 units), 5 DNP project courses (10 units/500 clinical hours), 8 CNS-specialty courses (21 units, which includes 12 units/500 clinical practicum hours).

The BSN-DNP: Adult-Gerontology CNS with Women's Health Specialty track consists of 11 Graduate core courses (27 units), 4 APRN core courses (9 units), 3 Healthcare Leadership specialty courses (9 units), 5 DNP project courses (10 units/500 clinical hours), and 11 CNS-specialty courses (24 units, which includes 12 units/580 clinical practicum hours).

- All graduate students take 3Ps courses (GNSG 6006-Advanced Pathophysiology, GNSG 6007-Advanced Pharmacology, and GNSG 6008-Advanced Health Assessment) as foundational courses for the advanced nursing practice role. Any applicant may submit prior course syllabi to be reviewed for course equivalency. A prerequisite or transfer 3Ps course must meet the required criteria

per California Board of Registered Nursing for Advanced Practice Registered Nurses (APRNs). Syllabi may be required to verify equivalency prior to acceptance of any course toward PLNU Graduate Nursing program requirements. Students who have not taken APRN Core Prerequisite Courses may take them concurrently with their program at PLNU.

GNSG 6064 (A, I)	Adult Gerontology CNS Role Practicum <sup>1</sup>	
GNSG 6066 (A)	Women's Health CNS Role Practicum	
<b>Graduate Elective<sup>2,3</sup></b>		<b>3</b>
GED 6029	Using Technology to Enhance Teaching and Learning	
	or GED 6081 Educational Measurement and Evaluation	
<b>Total Units</b>		<b>76-79</b>

<sup>1</sup> Adult Gerontology CNS with Women's Health Specialty tracks do not include GNSG 6064A. Instead, GNSG 6066A is completed.

<sup>2</sup> Approved elective options for the Healthcare Leadership track will be offered in collaboration with the Fermanian School of Business, School of Education, School of Nursing, and School of Theology and Christian Ministry. Offerings may vary and will be pre-approved by the School of Nursing prior to each semester.

<sup>3</sup> Students who wish to pursue a Certified Nurse Educator (CNE) credential must take GED 6029 or GED 6081.

## MSN-DNP: CNS Track

Students who have already completed an MSN degree may apply for the MSN-DNP: CNS track.

An individualized gap analysis of previous academic credit will be conducted for each applicant to determine courses needed to fulfill the requirements at PLNU.

- Any CNS applicant may submit prior course syllabi to be reviewed for course equivalency.
- All graduate students take 3Ps courses (GNSG 6006-Advanced Pathophysiology, GNSG 6007-Advanced Pharmacology, and GNSG 6008-Advanced Health Assessment) as foundational courses for the advanced nursing practice role. Any applicant may submit prior course syllabi to be reviewed for course equivalency. A prerequisite or transfer 3Ps course must meet the required criteria per California Board of Registered Nursing for Advanced Practice Registered Nurses (APRNs). Syllabi may be required to verify equivalency prior to acceptance of any course toward PLNU Graduate Nursing program requirements. Students who have not taken APRN Core Prerequisite Courses may take them concurrently with their program at PLNU.
- At a minimum, a total of 500 direct patient care clinical hours are to be included in the past APN graduate education program and post-graduate certificate program, specifically to meet the end-of-program hours for the new CNS role and/or new population.

Code	Title	Units

## Early Entry into Graduate Studies - See Undergraduate Catalog (<https://pointloma-public.courseleaf.com/prior-catalogs/2024-2025/tug-catalog/colleges-schools-departments/son/tug-nursing/nursing-bsn/>)

This track will allow eligible PLNU students in the traditional BSN program to take a graduate course in each semester following completion of junior-level courses. Students will simultaneously start graduate-level courses while completing their BSN degree. After a minimum of 1-year clinical experience as a licensed, registered nurse, individualized advising will facilitate the student in a graduate program's decision regarding specialty track. The following courses<sup>1</sup> are included in this early entry track.

Code	Title	Units
NSG 5002	Applied Statistics in Health Science	2
NSG 5003	Following Faithfully: Healthcare Policy and Ethics	3
NSG 5009	Health Promotion Across the Lifespan	2

<sup>1</sup> These Early Entry into Graduate Studies courses are equivalent to the following graduate nursing courses: GNSG 6003, GNSG 6009, and GNSG 7002.

**Total DNP (MSN-DNP: Healthcare Leadership) Units: 34**

**Total DNP (BSN-DNP: CNS) Units: 76-79**

**Total DNP (MSN-DNP: CNS) Units: 52-64**

**Total DNP (BSN-DNP: FNP) Units: 76**

**Total DNP (MSN-DNP: FNP) Units: 55-64**

**Minimum Required Clinical Hours for All DNP Tracks: 1,000**

## Graduation Requirements

In order to earn and receive the Doctor of Nursing Practice degree, in addition to successful completion of all didactic course work, the student must satisfy all of the following:

- Complete a total of 1,000 hours of clinical residency (documented clinical hours achieved in an DNP advanced practice role will be included).
- Implement and defend a DNP Project-examples of this include: Quality Improvement project at the unit or organization level.
- A minimum grade point average of 3.000.
- A minimum grade of B- in all courses. (Students needing to repeat more than one course may not progress and may be dismissed from the program.)
- All requirements for graduate degrees must be completed within an eight-year period from the time of initial enrollment in the program.
