

SCHOOL OF NURSING

Mission Statement

The School of Nursing at Point Loma Nazarene University exists to support the university Wesleyan Mission and to provide an interdisciplinary learning program of excellence. Graduates of the School of Nursing are distinctly identified by grace, truth, and holiness, serving others after the example of Christ, as they are sent to fulfill their calling as professional nurses.

So He got up from the meal, took off His outer clothing, and wrapped a towel around His waist. After that, He poured water into a basin and began to wash His disciple's feet, drying them with a towel that was wrapped around Him. Now that I, your Lord and Teacher, have washed your feet, you also should wash one another's feet. I have set an example that you should do as I have done for you. John 13:4-5 (NIV)

Vision Statement

The School of Nursing at Point Loma Nazarene University embraces, as a covenant, the commitment to excellence within a dynamic Christian environment in which each one will engage in the sacred work of nursing. This sacred work involves symbolically removing one's shoes in service of others.

Take off your sandals for the place you are standing is holy ground. Exodus 3:5 (NIV)
