General Information

The College of Health Sciences exists to provide multidisciplinary education in health, wellness, medicine, and therapy that transforms students and prepares them to serve the world as an expression of the Christian faith. The College is defined by exceptional faculty and staff who are committed to innovative teaching and learning; rigorous and inspired scholarship; and clinical experiences that are evidence based, outcomes focused, and empower students to improve the human condition. We extend the mission of Point Loma Nazarene University to engage and challenge minds, to form and model character, and to view service as an expression of faith.

The College offers undergraduate programs through the Department of Kinesiology in Applied Health Science, and Health and Human Performance. We offer graduate programs in Athletic Training, Exercise Science, Integrative Wellness, Kinesiology, Physician Assistant Education, Sport Management and Sport Performance
