

PSYCHOLOGY B.A.

Program Learning Outcomes

Students who complete the program in Psychology will be able to:

1. Identify basic tenets of psychology.
2. Summarize and apply facets of “The Good Life” as conceptualized in contemporary positive-moral psychology.
3. Display an increase in personal growth and development (for the purpose of serving others).
4. Demonstrate care for others.
5. Understand careers in psychology.

Required Concentrations

Choose a concentration from the following:

- Character, Morality, and Culture (p. 1)
